Organized tour with AclassA Travelers

second day

Second day:

- we will begin our day by driving to Kuruldi lakes, using the best off-road vehicles in the world. Our specialized Can-am X3 Turbo buggies (UTVs). They are the only off - road vehicles in Georgia that were specially adapted (by us), in order to overcome extreme weather conditions like rain and snow. They come equipped with a windshield and wipers. They can be completely sealed, so no cold, rain or snow can affect the driving/riding experience for the passengers and driver.
- Once we will arrive, we will enjoy a spectacular lunch on the mountain side with foldable chairs and tables, that we bring with us.
- At 14:00 o'clock we will go down and start climbing to Atswaldi mountain.
- After a coffee/tea break on the Atswaldi we will head back for dinner in hotel Banguriani.
- After dinner there will be free time...

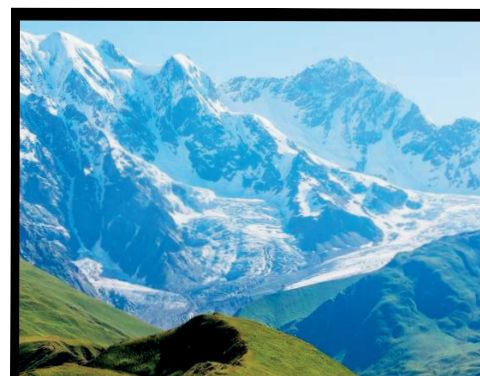

Organized tour with AclassA Travelers
